

Flavius J. Oblinger Scrapbook Index

The Flavius J. Oblinger Scrapbook was donated to the Maumee Valley Historical Society in 1970. Mr. Oblinger used a volume titled, *Ohio Statistics, 1872*, as a scrapbook in which he pasted newspaper articles, usually about the early history of the Maumee Valley. Some of the articles deal with areas outside of northwest Ohio. Unfortunately, Mr. Oblinger did not identify the newspapers or dates of the articles.
