

## Smith/Becker Family Collection Introduction

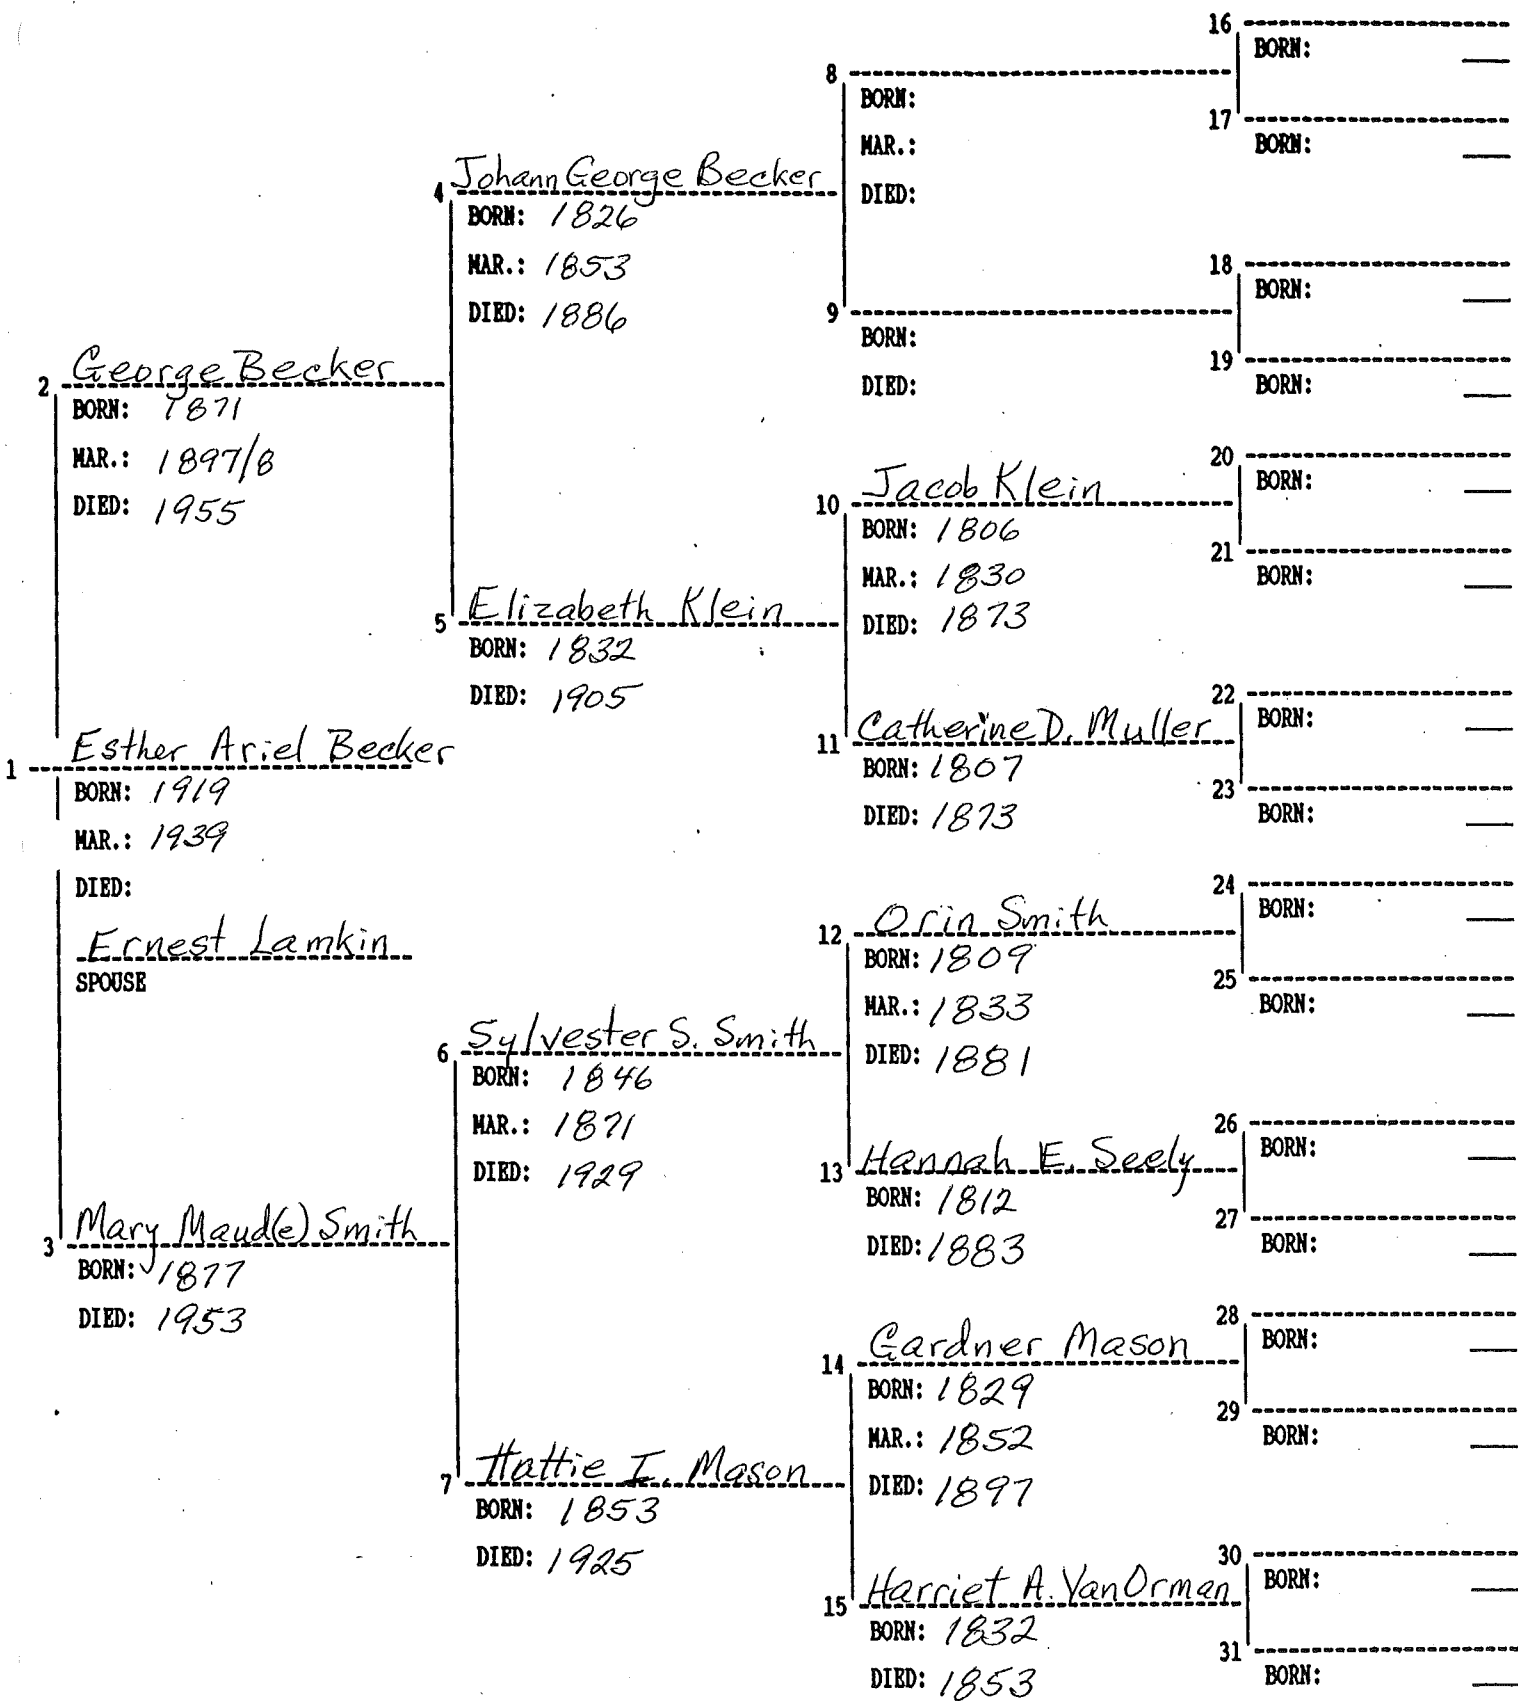

The Smith/Becker Family Collection was donated to the Local History and Genealogy Department of the Toledo-Lucas County Public Library in December 2003 and March 2004 by Esther A. (Becker) Lamkin. The collection consists of information collected by Mrs. Lamkin about her family with photographs and slides.

The folders in the collection follow the order in which most of the materials were organized in a three-ring binder. The processor created the pedigree chart included with this inventory to give an overview of the family names. Mrs. Lamkin made a second donation of slides in March 2004.
