Emily Lois Boice Crane was born to John and Cora (Schroeder) Boice on October 29, 1884 in Toledo, Ohio. She married Harold G. Crane on October 31, 1908. They lived in Brookline, Massachusetts and Adrian, Michigan. Harold Crane died in 1937. He and Emily's brothers, William B. and John E. Boice, founded the Boice-Crane Company in Toledo which manufactured power wood-working tools.

Emily moved back to Toledo in 1951. She died November 4, 1961 and is buried in Oakwood Cemetery in Adrian, Michigan. Her scrapbook has mostly articles from the *Toledo Blade*, although there are a few clippings from other newspapers or magazines. The majority of the items are dated in the 1940s with some from the 1930s and 1950s.
