

Northwestern Ohio Genealogical Society (NWOGS)
Cemetery Project
Scope and Contents Note

The Northwestern Ohio Genealogical Society read tombstone inscriptions of many area cemeteries during the mid-1970s. This collection contains the original typescripts of the readings. Listings for many of the cemeteries were published in 1988 in *Tombstone Inscriptions of Lucas County, Ohio*, volume 1. Volume 2 has not been published. Some members read tombstones in cemeteries outside Lucas County.

In 1995, the Northwestern Ohio Genealogical Society changed its name to Toledo Area Genealogical Society.
