

## Diana Elizabeth Long Binkley Scrapbook Index

Diana Elizabeth Long Binkley was born January 5, 1847 to James Washington Long and his wife, Sophronia Thompson Long. She was the second of four children. Sophronia died in 1851 and James married Mary Wainwright (year unknown); they had nine children.

Diana married Amos Binkley on October 7, 1869. According to the 1910 Federal Census, they had four children, three of whom were still living that year. They lived in Ottawa County for the 1870 and 1880 censuses. In 1900 they lived in Elyria, Ohio and in 1910 they were in Sandusky, Ohio. Diana died on July 29, 1910 and Amos died on August 17, 1928.00

The collection consists of photocopies of a scrapbook that Diana kept. The articles are obituaries, marriage announcements and a few birth announcements, primarily from the Elmore and Graytown areas. Unfortunately, she did not date the clippings nor give the name of the newspaper. The pages of her scrapbook were wider than the photocopier; therefore, a page may have two copies. A name may appear more than once on the page.
